SHORT LOCALS.

Brief Items of Interest Throughout the Town and County.

Mr. A. Rice sold about 400 bales of cotton Tuesday, on a basis of 12 1-4 cents for middling.

Mr. W. M. Brabham announces the approaching marriage of his daughter, Miss Alice Mae Brabham, to Mr. Swaine A. Merchant, the ceremony to be solemnized on June 28th.

The Herald has been notified to change the address of Mr. J. M. Felder, Jr.'s paper from Fork, S. C., to Loris, S. C., Mr. Felder and family having recently moved there.

The Francis Marion Bamberg chapter, U. D. C., will meet next Tuesday afternoon at 4:30 o'clock at the residence of Mrs. F. B. McCrackin. A full attendance is requested.

The Sunday-school of Trinity church enjoyed a picnic at Cedar Springs Tuesday of last week. A basket dinner was served on the grounds, and a good time was enjoyed by all.

Mr. J. F. Carter received a message Tuesday to the effect that his brother, Mr. B. D. Carter, had been successfully operated on at Johns Hopkins hospital, Baltimore, and that he was getting along nicely.

"The Battle Cry of Peace" was shown at the Thielen Theatre Monday and Tuesday, and was witnessed by large crowds. On account of the bad condition of the films, the afternoon matinees had to be called off.

A corn house on one of Capt. W. S. Bamberg's plantations near town was burned Saturday last. The building contained a large quantity of corn and foodstuff. The loss was about \$500, with no insurance. The origin of the fire is unknown.

The rainfall in Bamberg county during the month of April amounted to 1.42 inches, 2.20 inches below normal. The greatest precipitation in 24 hours was .65 inch on the 8th of April. Four small showers fell in different parts of the country during the month.

A fine rain fell in Bamberg Tuesday night. This was the heaviest rain that has fallen right around the city since last February—in fact the only hard rain. The rain was accompanied by a vivid display of electricity, and some wind. No damage has been reported.

Meetings will be held in the interest of the Orangeburg packing house at Ehrhardt on Thursday at 1 o'clock and at Olar at 4:30 the same day. Messrs. W. E. Atkinson and Robert Lide, of Orangeburg, will be present at both meetings. The farmers and business men are invited to attend.

The last issue of the Carlisle Lancer for the session has just been printed by The Bamberg Herald. This being "commencement number," the magazine contains a great deal of very interesting matter, and the issue is quite a credit to the literary societies of the Carlisle school, under whose auspices the magazine is issued.

Among those attending the commencement exercises at Columbia college was Rev. E. O. Watson, D. D., of Bamberg. Dr. Watson was the immediate predecessor of Rev. S. A. Steele, D. D., at Washington Street Methodist church here. He is president of the board of trustees which meets here Thursday afternoon to act upon securing a new head for Columbia college.—Columbia Record.

To Resuscitate Bamberg Guards.

Col. John F. Folk is making an effort to resuscitate the old Bamberg Guards. He requests us to state that he will be glad for every one who is interested in the company to give in his name to him at once. Col. Folk headed this company for many years, and under his captaincy the Bamberg Guards was one of the leading military companies in the State. Bamberg should have a military company. There is no company near Bamberg, with the exception of the Orangeburg company, and this organization is threatened with disbandment. There is a lot of fine material in Bamberg for a company, and Col. Folk says that if there is to be any fighting for this country to do, Bamberg must be in it.

Revival at Trinity Church.

Rev. John B. Andrews, D. D., will begin a revival at Trinity Methodist church tonight. Two services each day will be conducted, at 10, and 8:15 o'clock. The public is cordially invited to attend all services. The evangelist will be assisted by Mr. and Mrs. Alva R. Wilgus. Mr. Wilgus will conduct the music services, and Mrs. Wilgus will conduct the work among the women. Dr. Andrews is a noted evangelist. He is now carrying on a campaign in this district. These meetings will continue throughout the summer months and into the fall.

EXECUTIVE COMMITTEE MEETS.

Enrollment Committees Appointed; Assessments Fixed.

The first meeting of the county Democratic executive committee was held at the court house on Monday morning for the purpose of appointing enrollment committees for the various clubs were appointed, and the assessments were fixed. Mr. R. W. D. Rowell was reelected secretary and treasurer.

The following are the enrollment committees appointed:

The time for filing pledges and paying assessments was fixed for Saturday, July 16th, at noon.

On motion of S. G. Mayfield, Esq., the county chairman was instructed to telegraph Hon. B. D. Carter, who is in Baltimore for an operation, the sympathy of the committee.

Death of Mr. J. B. Steedly.

Mr. James B. Steedly died at the Roper hospital, Charleston, on May 1, following an operation.

He was a resident of Colleton county, having been living for some time near Sandy Dam church, but was a native of Bamberg county. He was buried at Hunter's Chapel cemetery on May 3. Mr. Steedly was a young man of strong personality, and possessed many attractive and lovable traits of mind and character. He is survived by his sorrowing parents, wife, two brothers, two sisters, and a little daughter a few months old.

Carlisle Improvements Started.

The contractor in charge of the work of remodeling and adding to the buildings of Carlisle school has arrived in the city, and the work is now being started. The improvements include additions to and remodeling of the H. J. Brabham hall for boys, the addition of class rooms to the main building, and the installation of a heating plant for the main building. The work contemplated will cost the school authorities about \$6,000.

The improvements begun will be completed in plenty of time, it is stated, for the opening of the school in September, and will render the school many more advantages than heretofore.

W. W. Daniel, Jr.

Walter W. Daniel, son of Dr. and Mrs. W. W. Daniel, of Columbia college, who graduates next week from Wofford college, has been tendered a position as teacher of Latin at Carlisle school, Bamberg. This is considered quite a compliment for a young graduate. Mr. Daniels is taking a high stand at Wofford. He was prepared for college by Col. A. R. Banks at Hyatt Park.—Columbia Record.

W. W. Daniel, Jr., is among the graduates at Wofford college this week. He is said to be a very promising young man and one of the most popular in his class.—Newberry Observer.

Every man is the architect of his own health.

DAY ELECTRIC CURRENT.

Comforts of Electric Fans May Now Be Had.

A few days ago, as a result of experiments at the city power plant, the commissioners of public works decided to put on day electric current during the summer months. It has been realized for some time that day current would be a good thing for the city, but on account of the small number of users of day current in the town the authorities have been confronted by the question of making expenses. It is now believed that there will be sufficient current used in the day time to warrant the power plant running continuously.

A great many stores, offices, etc., in the city have longed for the comforts of electric fans during the day, and the announcement of the plant running throughout the day was received with much pleasure. In order that the power plant may run profitably it will be necessary for everybody to use electric current during the day as much as possible, and persons having machinery to run would do well to install electric motors. There are not a great many towns the size of Bamberg that have day current, and this fact will doubtless be appreciated by the people of the city. It is to be hoped that day current, at least during the summer, may now be a permanent fixture. It is stated that the plant will be operated for about four months.

Base Ball League Formed.

At a meeting in Denmark Monday afternoon, the Bamberg-Barnwell Baseball League was formed, with the following teams: Bamberg, Barnwell, Denmark and Fairfax. It is likely that two more teams will be added at a meeting to be held later in the week. Mr. J. Wesley Crum, Jr., was elected president of the league.

A meeting will be held Friday for fixing the schedule of the season. The schedule will consist of two games each week, beginning next Tuesday and continuing until August 18th. Games will be played on Tuesday and Friday of each week, one game at home and one game away. The league will have practically the same rules as the Orangeburg county league. Only home players will be allowed to participate. Each club will deposit \$100 as a guarantee against quitting the league.

A meeting was held in Bamberg last Friday, at which eligibles for the Bamberg team were submitted. The list contains some 35 local players and a fine team is assured. Mr. W. G. Hoffman was elected manager of the home team, and Mr. M. G. Cooner captain.

Tick Eradication in County.

The bureau of animal industry, U. S. department of agriculture, has recently sent out circular letters, and printed matter concerning the work of tick eradication in Bamberg county. This work was instituted in Bamberg county on April first. The circular says, in part:

"Bamberg county has an area of 371 square miles with a cattle population of 3,563 head; the annual loss to the cattle owners due to the cattle tick is \$15,450.00. When the ticks are eradicated from your county cattle will increase in value an average of \$3.38 per head; this will amount to \$12,050.00. The great loss you are sustaining now and the increase in value of your cattle after your county has been freed of ticks means a profit of \$7.50 per head for each head of cattle you own, and it costs you nothing but a little cooperation."

Bound Over Under Bond.

Bub Brabham, a white man, was bound over to the higher court Monday at a preliminary, held before Magistrate H. D. Free, charged with violation of the prohibition law. Sheriff Ray made a search of Brabham's premises a few days ago, and found a number of empty whiskey cartons, addressed to different persons. One of those to whom a package was addressed, a negro drayman, testified that he had been given a pint of whiskey for allowing the liquor to be ordered in his name. The case was prosecuted by the vigilance prohibition committee.

Carlisle Catalogue Issued.

The Carlisle school catalogue has just been issued from the presses of The Bamberg Herald. The catalogue this year is a very attractive one, being, in the opinion of those who have seen it, the best the school has yet had. A very attractive cover, embossed in gold, ornaments the booklet, and a large number of views of the school, grounds and school organizations, illustrate it to good advantage. Head Master Guilds says that he has already received a large number of requests for catalogues, and that the prospects of the school were never so good in all the history of Carlisle.

Personal Mention.

—Dr. and Mrs. W. R. Lowman and Mr. W. E. Atkinson, of Orangeburg, were guests of Mr. and Mrs. C. J. S. Brooker Friday.

—Miss Sallie A. Carter, representing the Mildred Rutherford Historical circle, is spending some time in the city at the Mayflower Inn.

—Mr. and Mrs. C. J. S. Brooker and Mr. C. R. Brabham, Jr., accompanied Mr. W. M. Brabham on an auto trip to Albany, Ga., Monday.

—Mrs. H. W. Ehrhardt and two children have returned to Ehrhardt after a visit here to her mother, Mrs. Alma Taylor.—Newberry Observer.

—Mr. D. F. Hooton, Miss Natalie Hooton and Miss Ida Brabham left Monday for Bartow, Fla., where they will spend ten days or two weeks with Mr. Hooton's daughter, Mrs. E. V. Camp.

—Miss Olive Dixon, who has been teaching at Denmark, and Miss Rosamond Dixon, who is a recent graduate from Winthrop college, spent several days of the past week with their sister, Mrs. W. J. McKagen, leaving for Bishopville on Sunday night.—Sumter Watchman and Southern.

Late Tomatoes.

Now is the time to sow seed for late tomatoes. Plant seed directly in ground where plants are to grow, as it is hard to get them to live when transplanted in hot weather. The dry weather has cut the crop short, and late tomatoes are sure to be in demand this year.

MRS. B. W. FAUST.

Methodist Missionary Society.

A small company of women met, at the usual place but a little beyond the regular date, in the capacity of a missionary society. By request, Miss Bessie Lee Black assisted the president in the devotionals. Bible verses bearing on the subject, "Jesus the Light," were read. Singing was heartily entered into.

The parsonage aid treasurer reported that we are "on top" in finances.

Something more than eleven (11) dollars was realized from our Easter egg hunt.

A report that some dinners were carried to sick folk was made.

Miss Llewellyn Cleaveley made a good report of our State conference recently held at Kingstree. We were informed that \$16,608.03 was raised the past year.

Only one magazine article, "America's Welcome to the Immigrant," was read.

The meeting, after a short prayer by the president, stood adjourned, to meet on Tuesday afternoon after the third Sunday in June.

Whiskey Poured Out.

Saturday afternoon the Denmark town authorities poured out into the street 230 gallons of whiskey and 40 gallons of beer. This booze was seized some weeks ago while in transit from Savannah to Charleston. By order of the governor it was held for thirty days, and then destroyed. Denmark has recently enjoyed a "clean-up" among the blind tigers, and a quantity of blind tiger whiskey has been seized and destroyed, and a number of blind tiger sellers have been convicted and either fined or sent to the county chain gang.

Mrs. Faust in Barnwell.

Mrs. B. W. Faust is assisting the Barnwell county agent in a short course for canning club girls at Healing Springs. From there she will go to Aiken on June 8th for similar work with Miss Lumpkin, home demonstration agent. Mrs. Faust will have two assistants for her course in Bamberg county early in July.

Thielen Theatre WEDNESDAY, JUNE 14

Matinee at 5 p. m. Night at 8 p. m.
ADMISSION 10c AND 20c.

Bruce Wilton has amassed a fortune which he lavishes on his wife, Vera.

Their household is a happy one but into it creeps a note of menace. No one hears it at first, save Father Kelly, a priest, the former tutor of Bruce. Quietly he goes to work with his sharpened mental sense to find the person who is causing the adverse influence in the household.

Almost on the verge of discovering the cause, calamity descends on Bruce Wilton. His fortune is swept away and in such a manner that he believes that his wife was the cause of his ruin.

Husband and wife are separated, the home is destroyed, and yet the cause of all this disaster is unknown.

But Father Kelly, with a faith that moves mountains, goes on quietly, serenely, confidently, with but one purpose in view, the happiness of those he loves.

He solves the mystery and lets the white light of truth into the minds of those that have been darkened by evil.

More than this, he finds the one who has caused all the misery and restores the home.
